The diversity of media entered by HCC's students and the instruction of HCC's art faculty combine to make the *Annual HCC Student Juried Art Exhibition* a challenging, exciting show. Now in its 50th year, featured artworks span the many disciplines of HCC's School of Visual and Performing Arts, such as photography, design, digital media, printmaking, drawing, painting, sculpture and more. This year's exhibition will be presented in Gallery114@HCC with a special awards ceremony to take place in the Mainstage Theatre. The HCC Art Galleries also continue the tradition of the *Salon des Refusés* by exhibiting works not selected by the juror in an alternative display.
